The Changed Life is an inspirational guide of supreme utility which encourages all Christians to seek a life of tranquility and joy with the Lord Jesus Christ. A manual of timeless simplicity yet immense profundity, The Changed Life contains a set of short but spiritually piercing statements. Each of the four parts get straight to the heart of what every good Christian should aspire to. In the author's view, there are many wrong or ineffective ways to grow one's devotion to the divine; he proscribes an alternate route, that the believer may nurture his own soul, and draw close to God. Although short, this is a work of utmost salience, and nary a word or sentence is wasted. Drummond was a man who spurned verbosity in favor of plain, direct wisdom and heart advice. Neither does he become bogged down in the finer points of theology or ancient doctrine; instead, what he has to say regarding sanctification is straightforward and readily accessible to all. Henry Drummond was an evangelical preacher for many years, working in his native Scotland and abroad. He was also a biologist, whose studies in Africa and Australia resulted in valuable books filled with his astute observations. This edition of The Changed Life is in large print, so that younger readers and the hard of sight may readily absorb its essential message.
