

## Stepping Stones: Shadow Of The Wolf (Paperback)

By Gloria Whelan

Random House USA Inc, United States, 1997. Paperback. Condition: New. Language: English. Brand new Book. The woods of southern Michigan are getting crowded, so Libby Mitchell and her family load up their covered wagon and move north. They settle on the shores of Lake Michigan--right next to the Indian camp where Libby's friend Fawn lives! But Libby and Fawn soon find out that greedy men are trying to cheat the Indians out of their land. Now the girls must think of a way to stop them--before the people and animals who call the forest their home lose it forever. This poignant, beautifully-told story concludes Gloria Whelan's American history trilogy. "Publishers Weekly" gave a starred review to this second title, "Night of the Full Moon," calling it a "satisfying chapterbook as captivating as any in the 'Little House' series."
